

A Few Words

WOODEN SPOONERS

The league game this afternoon will be between the Police and the Maile Hlmas. The game which will be played on the Oahu College campus at Punahou will start at 3 o'clock. Permission to use the ground for the afternoon was kindly granted by Dr. A. Maxon Smith, principal of Oahu College.

The teams are as follows:

Police. Catcher. Maile Hlmas.

Leslie Kekuewa

Pitcher.

Joy Lemon

First base.

Akau Davis

Second base.

Chillingworth Cockett

Third base.

A. Mossman Paehaole

Shortstop.

H. Mossman Clark

Left field.

Parker Wright

Center field.

Duncan Hardy

Right field.

Lare Sheldon

The game promises to be an exceedingly interesting one although the lines concerned are the tallenders of the league. This will be the last appearance of the Maile Hlmas in the league series and if they lose today their claim to the wooden spoon will remain undisputed. Should they win however and the Police succumb to the Artillery on August 10th the finest will be entitled to all the honors which attend the bottom of the list.

The league contests of the two teams and their results are as follows:

Maile Hlmas, 7, H. A. C. 11.

Maile Hlmas 22, Artillery 23.

Police 5, Stars 19.

Police 13, H. A. C. 19.

The remaining league games to be played are:

August 3—H. A. C. against Stars.

August 10—Artillery against Police.

The standing of the league teams to date is as follows:

Won. Lost. Pctge.

Stars 3 0 100

H. A. C. 3 0 100

Artillery 1 2 33

Maile Hlmas 0 3 —

Police 0 2 —

The Honolulu Baseball League held a well attended meeting last night in the rooms of the Honolulu Athletic Club. Every club in the league was represented and the proceedings were of the most harmonious nature.

It was arranged that the umpires for tomorrow's game shall be chosen on the field by the respective captains.

In the championship game to be played next Saturday between the Honolulu Athletic Club and the Stars, H. M. Whitney and Morris Keohokale, two of the best authorities on baseball in Honolulu, will officiate as umpires.

President C. F. Chillingworth of the Honolulu Baseball League has presented a valuable silver cup which will go with the championship title.

It is exceedingly probable that the league champions will meet a nine composed of allcomers before the end of the season.

The Capitol Building nine which will soon engage bats with the Judiciary Building playing will be made up as follows:

Dayton, Road Department, catcher;

Richardson, Water Department, pitcher;

Mahelona, Auditing Department, first base; Kaanoi, Treasurer's Department,

second base; Woodward, Water Department, third base; Treadway, Auditor's Department, shortstop; Cummins, Road Department, sub-shortstop; Chillingworth, Water Department, right field;

Kupihua, Auditor's Department, sub-right field; Rose, Treasurer's Department, left field; Sherwood, Auditor's Department, sub-left field; Peters, Treasurer's Department, center field; Kulike, Public Works Department, sub-center field; Vierra, Public Works Department, substitute.

Their opponents have not as yet finally decided upon their aggregation but expect to be in shape to go forth to battle in a week.

CRICKET REDIVIVUS

After a long session of idleness the cricketers will again muster at Makiki this afternoon, where a match will be played between teams representing Married and Single. The game will start at 3 o'clock.

In the last game between these two elevens played on May 18th the bachelors vanquished the benedicts to the tune of 103 runs to 40.

The Married team will be composed as follows: Brash, Garvey, Harvey, Jordan (captain), Rev. V. H. Kiteat, Kane, Morse, McIntyre, Parish, Pinaia, Stanley, Thomas, Dr. Walters, Weedon.

The Singles will be selected from the following: R. Anderson (captain), D. W. Anderson, Blackman, Catton, Cockburn, Craik, Hatfield, McGill, Blake, Miles, Gill, Osborne, Seymour, Sinclair, Ross, Bottomly, Guild and Munro.

The leading batting and bowling averages of the season up to date are:

NIGEL JACKSON, official scorer of the Honolulu Baseball League and second baseman on the Police nine. Jackson is an all-around athlete and is well known in local sporting circles. For two seasons he was a member of the Star baseball nine and has been actively identified with local ball for many years past. For the last four years he has been connected with the local police force, and in that capacity has achieved a fine record.

Summer complaint is unusually prevalent among children this season. A well developed case in the writer's family was cured last week by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy—one of the best patent medicines manufactured, and which is always kept on hand at the home of ye scriber. This is not intended as a free puff for the company, who do not advertise with us, but to benefit little sufferers who may not be within easy access of a physician. No family should be without a bottle of this medicine in the house, especially in summer time.—Lansing (La.) Journal. For sale by Benson, Smith & Co., wholesale agents.
